Post Contract-Award Building Information Modelling (BIM)

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. A project is a temporary endeavor designed to produce a unique product, service or result with a defined beginning and end (usually time-constrained, and often constrained by funding or staffing ...

The 4 Disciplines

Capital punishment, also known as the death penalty, is a government-sanctioned practice whereby a person is killed by the state as a punishment for a crime. The sentence that someone be punished in such a manner is referred to as a death sentence, whereas the act of carrying out the sentence is known as an execution. Crimes that are punishable by death are known as capital crimes or capital ...

Broward Co Collaborative Agreement on School Discipline

Support School Staff. Just as an effective academic program requires rigorous academic goals and evidence-based instruction to help students meet those goals, creating a supportive school climate requires fair and clear behavioral expectations and a range of evidence-based supports and interventions to help students meet those expectations while keeping them in the classroom.

School Climate and Discipline: Support School Staff

Myth 1: Execution Equals Alignment. Over the past few years we have asked managers from hundreds of companies, before they take our survey, to describe how strategy is executed in their firms.

Why Strategy Execution Unravels—and What to Do About It

The Conference Board in their survey of CEOs, has said that strategy execution is both the number one and number two problem they face. This course is designed to provide a specific set of actions to execute strategy by designing and deploying the capabilities and culture that will lead to strategic success.
