

**henrys clinical diagnosis and pdf**

Old age refers to ages nearing or surpassing the life expectancy of human beings, and is thus the end of the human life cycle. Terms and euphemisms include old people, the elderly (worldwide usage), seniors (American usage), senior citizens (British and American usages), older adults (in the social sciences), and the elders (in many culturesâ€”including the cultures of aboriginal people).

**Old age - Wikipedia**

Squirrels can also have a condition called "Dermatophytosis," ( not to be confused with ringworm that carries the same name,) or a skin fungus.
