The roots of current concern with narcissistic abuse may be traced back to the later work of Sándor Ferenczi. In Ferenczi's fervid, restless, and inchoate attempts to help people over whom other analysts had thrown up their hands in despair lie the seeds of all the modern psychoanalytic theories of "schizoid," "narcissistic," and "borderline" personality disorders.

A narcissistic parent is a parent affected by narcissism or narcissistic personality disorder. Typically narcissistic parents are exclusively and possessively close to their children and may be especially envious of, and threatened by, their child's growing independence. The result may be what has been termed a pattern of narcissistic attachment, with the child considered to exist solely to ...

Since the narcissist is unable to feel true human emotion (except for, perhaps, rage), he has, throughout life, learned to mimic the emotions he needs to get exactly what he wants. He is a pretender extraordinaire—an emotional impersonator—and it's no wonder we fall for The Lie because this person is really very, very good at what he does.

Click Image to Order via Amazon. No matter how he goes about it or why it happens or when it happens, the Silent Treatment always sucks. The fact that the victim of a narcissistic partner rarely knows why they are receiving the silent treatment only compounds the mental torture. I remember reading an article where the writer described the narcissist's silent treatment as particularly ...
