On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.

Strategies when asking rhetorical questions. Like other speech techniques, rhetorical questions can be used in a variety of ways, depending on the needs of the speaker and the speech.

How to Use Rhetorical Questions in Your Speech

This is usually caused by inadvertently offering multiple ssh keys to the server. The server will reject any key after too many keys have been offered. You can see this for yourself by adding the -v flag to your ssh command to get verbose output. You will see that a bunch of keys are offered, until the server rejects the connection saying: "Too many authentication failures for [user]".
