Refiguring Mimesis Representation On The Early Modern Stage

With the assimilation of critical theory into literary studies during the late 1960s and the 1970s, many scholars challenged the idea that mimesis was an unproblematic 'representation of reality'. Instead, they found a much more complex mimetic art in operation on the early modern stage.

Innes, Paul (2005) Pluck but his name out of his heart

Even a cursory study of Refiguring Mimesis will reveal that this is a conservative collection rooted in a new historicist/cultural materialist paradigm, keen to think about representation only in terms of that now well-defined subject, 'literary/critical theory', and its particular canon of authors.
