Introduction. This manual is the basic textbook for anyone writing an ASTM standard. A study of Parts A, B, C, or E will show the proper form for the principal types of standards including a detailed explanation of how to write each section, from the title to the appendixes. Within Parts A, B, C, and E, the first section lists the preferred sequence of headings and indicates whether these ...

Naming rights are a financial transaction and form of advertising whereby a corporation or other entity purchases the right to name a facility or event, typically for a defined period of time. For properties like a multi-purpose arena, performing arts venue or an athletic field, the term ranges from three to 20 years. Longer terms are more common for higher profile venues such as a ...
