Field Name Field Description Data Description Required

I have a MacBook (OS X Snow Leopard) and I am unable to edit the "Description" field in my PDF files. I download a lot of e-books from third-party websites and when I get them their "Title" is sometimes garbled (i.e. ABC_123.pdf) and although I change the "File" name, that does not change the "Title" field and I am unable to add anything to the description like author, title etc.

How do you edit "Description" field? | Adobe Community

In Adobe Acrobat, how a form field behaves is determined by settings in the Properties dialog box for that individual field. You can set properties that apply formatting, determine how the form field information relates to other form fields, impose limitations on what the user can enter in the form field, trigger custom scripts, and so on.

PDF form field properties, Adobe Acrobat
